BRIEF ABSTRACT OF LETTER.

Requests sanction to the scale of expenditure being revised for the reasons assigned by him in his letter

NOTES AND ORDERS.

One Nanjundiah of Siddhaghatta has endowed a Brahmadaya wetland No. 375 measuring 1a-8g assessed at Rs 6/ with a quit rent of Rs 2 in the Hosaholalu village, Krishnarajapet Taluk, with a view to the income therefrom being utilized for Swarathe Utsava and Dantarpane on the following day.

2. The reason for the revision now recommended is that under the recent orders of the Comptroller all the income for the temple should first be credited to temple funds and the expenditure if any has to be incurred after getting sanction of Govt and that much delay would be caused in getting the amount in time for the Sevas intended by the Donor.

3 It is noted that the wet land endowed is under the Doddakere of Hosaholalu village and that the produce thereof therefore cannot be taken as a constant source of income wherefrom the proposed annual expenditure of Rs 25 can be met. The Gutta for the land was 3 Candis of paddy till 1911 and the value thereof Rs 21-12-0. It is only since 1912-13 that the Gutta has been raised to 4 Candis per year.

4 In the statement enclosed, the Dharmadarsi shows Rs 30 as the income from the land and shows on the expenditure side Rs 2 as Sist payable to Govt but the Dasavalidar has clearly deposed that he would pay Govt dues in addition to the Gutta paddy agreed to.

5 The bills for the Sevas in the years 1912 and 1913 have been submitted to Govt and sanctioned. The same procedure may perhaps be continued. Should the income from the endowed

Sir,

Adverting to your letter No 1757
Misc 181 13, dated 9th January 1914 re-
vising the scale of Expenditure of Sri
Malleswaraswami Temple at Krishna-
rajpetta with certain observations, I
have the honor to state that it is
reported that the land endowed for
the Sivaratre Utsava, S. No 375, is a
very good piece of land irrigated by the
Large Tank of Hosaholalu and that the
income therefrom as now estimated may
therefore be safely accepted as not subject
to ordinary seasonal variations. With
reference to para 2 of the letter under
reply, the receipt side of the scale is
increased by Rs 2/ which is the quit rent

agreed to be paid to Govt
by the puttadar in addition to the putta.
This however obtains during the currency
of the present term of lease which is for
3 years from 1912 13.

The accompanying revised scale of
expenditure may therefore be kindly
sanctioned.
